

MTAF #	Project Title	Name	County	State	Amount (\$)	Chose One Sector
3001	Advanced biomechanics laboratory for injury reduction and rehabilitation	University of Maine	Penobscot	ME	500,000.00	Biotechnology
3002	Next Generation Upgrade for the University of Maine DNA Sequencing Facility	University of Maine	Penobscot	ME	500,000.00	Biotechnology
3003	Community-Based Research to Support the Maine Lobster Industry	Gulf of Maine Research Institute	Cumberland	ME	500,000.00	Aquaculture & Marine
3004	Laboratory facilities for Wound Care Products	Biovation LLC	Lincoln	ME	100,000.00	Precision Manufacturing
3005	Commercialization Space at the Maine Energy & Enterprise Park	Great Works, LLC	Penobscot	ME	2,500,000.00	Environmental
3006	Biomass Torrefaction Technology	Torrefaction Technologies LLC	Cumberland	ME	750,000.00	Advanced Technologies for Forestry and Agriculture
3007	Building Capacity to Create Products and Solutions to Environmental Health Probl	University of Southern Maine	Cumberland	ME	1,700,000.00	Biotechnology
3008	Maine Real-Time Systems Technology Lab for electric T&D (MRTS)	NITECH LLC, subsidiary of USi	Westchester	NY	590,000.00	Information
3009	Chromatography system for analysis of bioactive compounds in Maine agriculture	University of Maine	Penobscot	ME	750,000.00	Advanced Technologies for Forestry and Agriculture
3010	Instrumentation to Support Bivalve Aquaculture in the Damariscotta River Estuary	University of Maine	Penobscot	ME	97,000.00	Aquaculture & Marine

<b>3011</b>	FISHLab: Fisheries Innovation, Sustainability & Health Lab	University of Maine	Penobscot	ME	600,000.00	Aquaculture & Marine
<b>3012</b>	Terahertz Frequency Integrated Circuit Test and Measurement System	University of Maine	Penobscot	ME	550,000.00	Information
<b>3013</b>	Commercialization of new technologies for equine disease surveillance	University of Maine	Penobscot	ME	500,000.00	Advanced Technologies for Forestry and Agriculture
<b>3014</b>	Biomass Engineered Fuel	University of Maine	Penobscot	ME	1,500,000.00	Aquaculture & Marine
<b>3015</b>	Insect & Plant Disease Identification & Management Laboratory & Office Expansion	University of Maine	Penobscot	ME	2,400,000.00	Advanced Technologies for Forestry and Agriculture
<b>3016</b>	Multisphere Immersive Environment Facility	University of Maine	Penobscot	ME	415,000.00	Information
<b>3017</b>	Cyberinfrastructure Investment for Development, Economic Growth, and Research	University of Maine	Penobscot	ME	200,000.00	Information
<b>3018</b>	AeroEcology Radar Observation System for Offshore Sites	Stantec Consulting Services Inc.	Sagadahoc	ME	500,000.00	Environmental
<b>3019</b>	Building Infrastructure for Innovation in Downeast Coastal Maine	Downeast Institute	Washington	ME	975,000.00	Aquaculture & Marine
<b>3020</b>	TidGen Power System Commercialization	Ocean Renewable Power Company	Cumberland	ME	920,000.00	Aquaculture & Marine

<b>3021</b>	Parenteral Formulation Facility for Experimental Therapeutics	University of New England	Cumberland	ME	930,000.00	Biotechnology
<b>3022</b>	E-Pack Drum	Packgen	Androscoggin	ME	999,999.00	Composite Materials
<b>3023</b>	TEQcenter - The Technology Quality Center	University of Southern Maine	Cumberland	ME	1,000,000.00	Information
<b>3024</b>	Developing NP1 Composites to Reduce/Eliminate VOC Emissions in Air Care Products	Novia Products, LLC	Cumberland	ME	250,000.00	Environmental
<b>3025</b>	High-precision composites materials kitting and installation	ACSM, Inc.	Cumberland	ME	670,000.00	Composite Materials
<b>3026</b>	Maine Center for Clinical Research	Maine Medical Center Research Institute	Cumberland	ME	800,000.00	Biotechnology
<b>3027</b>	Complex Workflow Management: An Engineered Solution	The Jackson Laboratory	Hancock	ME	970,000.00	Biotechnology
<b>3028</b>	Implementation of the Maine Virtual Center for Geospatial Technology	University of Southern maine	Cumberland	ME	300,000.00	Information
<b>3029</b>	Maine "Fiber to the Home" (FTTH) Project	Biddeford Internet Corp. dba GWI	York	ME	250,000.00	Information
<b>3030</b>	Ornamental Hatchery Utilizing Artemia Replacement Technology	University of New England	York	ME	10,000.00	Aquaculture & Marine

<b>3031</b>	Establish Robotic Systems Technology Center	Technological Innovations, LLC	York	ME	500,000.00	Precision Manufacturing
